Dear Parents and Students,

Warm Greetings from Indian School Bousher!

SOF is an educational organization popularizing academic competition and assisting the development of competitive spirit among school children. Science Olympiad Foundation has been striving for over 25 years to promote scientific attitude and temperament through innovative activities and use of IT in learning process that involve school students across the globe.

In the present times when the world is pivoted on science and IT, it is pertinent to think and plan about the future - a future in which the children of the present shall be the leaders of tomorrow. Regular qualitative and quantitative assessment needs to be done at the national/international level in order to build up the scientific, commercial and IT talent pool. It is in this sphere, Indian School Bousher is organizing various Olympiad Examinations for students from Grades III to XII.
