Dear Parents,

This year, along with recognising the academic achievements, Indian School Bousher would like to recognise those students who have exhibited significant achievements in the field of sports, during the Annual Award ceremony scheduled for August 2025. Towards this initiative, we would like to collect information regarding student participation and the achievements in sports at the **CBSE Oman Cluster, CBSE Nationals and International levels** during the academic year **2024–2025**.

We kindly request you to update details of your child's participation or accomplishments in any sports and games events on the google form given below on or before 29th May 2025.
