"To the one who gave us life, let's give back to life itself — plant a tree for your mother."

Subject: Volunteer Opportunity for YCIS Club Members for the month of July 2025

Dear YCIS Members,

We are delighted to announce the launch of the *Ek Ped Maa Ke Naam 2.0* campaign at our school, an initiative by the Department of School Education & Literacy, Ministry of Education, India.

This beautiful campaign celebrates the **special bond between children and their mothers**, while also promoting environmental consciousness and responsibility. As part of this initiative, we invite students to participate in a meaningful tree plantation drive.

What to Do:

Bring a potted plant or potted sapling to school on **Wednesday, July 30, 2025**, for plantation as part of our **YCIS Eco-Club activity**.

- Label your plant clearly with **your name, your mother's name, and your class**.
- Prepare a **soft copy (PDF)** about your plant. It should include:

- The **name of the plant**
- **Care instructions**
- **Ecological benefits**
- **Other interesting plant details**
- A **link to upload the soft copy** will be shared **after submission of the potted plant** in school.

Students who are enthusiastic and committed to making a difference are encouraged to bring the potted plants, **latest by 30th July, 2025**.

Let us come together to honour our mothers and Mother Earth through this green gesture!

We look forward to your enthusiastic participation.

Warm regards
