Correct Gently and Guide:

If they use unkind Guide:

calmly explain a kinder way

to express their feelings.

### Message from Team ISB

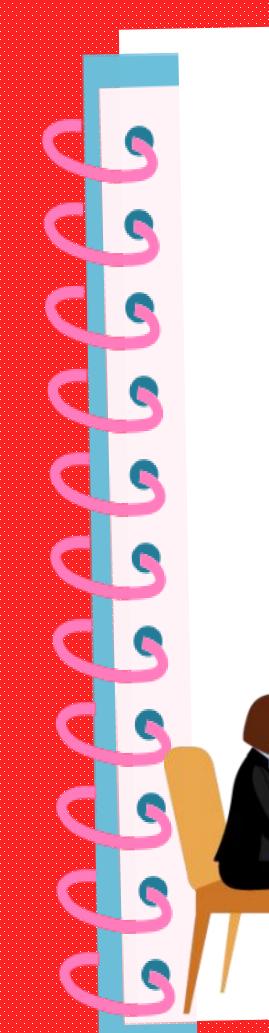

### **Dear Parents**

At Indian School Bousher, we know that the early years are about more than just learning letters and numbers—they're also about learning how to connect with others. That's why social skills are a key part of our kindergarten experience.

Through activities that build communication, cooperation, and kindness, our students learn how to be good friends, team players, and thoughtful members of the classroom. These early lessons in empathy and respect support not only school success, but life success.

Thank you for being our partners in helping your child grow—academically, socially, and emotionally.
