STAI BOOK DONATION CAMPAIGN - FROM MY SHELF TO YOURS

ISB/CR/GEN/2025-2026/077

05.10.2025

Dear Students,

Have you ever wondered what stories your books could tell if shared with another learner?

We are excited to launch the **STAI Book Donation Campaign – From My Shelf to Yours!** This initiative encourages you to give your pre-loved books a new life in the hands of another student.

How You Can Participate:

- **Donate:** Bring any book from home that could inspire or help a fellow student. You can donate books from **any genre:** fiction, non-fiction, science, fantasy, mystery, biographies, comics, or educational guides.
- **Collection:** Hand over your books to your class mentor.
- **Display:** All donated books will be showcased at dedicated stalls during the event.
- **For Students:** Participants of the STAI event can select a book of their choice from the collection.
- **Condition:** Please ensure the books are in good condition and suitable for school use.

Your support will help others discover new stories, foster a love for reading, and promote the spirit of sharing.

"Share what you have. It may be the only light someone sees today."

The **STAI Book Donation Campaign** goes beyond sharing books—it contributes to **Global Goals** by:

1. **Quality Education (SDG 4):**
 - Donated books give students access to a wider variety of learning materials and reading resources, supporting lifelong learning and literacy.
2. **Sustainable Consumption and Production (SDG 12):**
 - Reusing books promotes responsible consumption and reduces waste, giving books a new life instead of discarding them.
3. **Partnerships for the Goals (SDG 17):**
 - Encouraging students, teachers, and families to collaborate fosters a culture of sharing and community engagement.

Thank you for helping us spread knowledge, joy, and kindness—one book at a time.

Last Date of Submission: 12th October 2025
