## **DIGITAL SAATHI– “LEARNING MADE SIMPLE!”**

Dear Parents,

In our ongoing effort to encourage lifelong learning and digital empowerment, the school is pleased to announce a **Digital Literacy Session for Elders** who are above the **age of 55 years**, which will be **organized by our Bousherians**. This initiative aims to equip our senior citizens with practical digital skills that can make their everyday tasks easier, safer, and more enjoyable.

Training is conducted by our students to encourage **inter-generational learning** and to help them develop a sense of **responsibility, empathy, and leadership** while sharing their digital knowledge with elders. This collaborative learning experience strengthens community bonds and nurtures real-life values beyond the classroom.

The interactive session will help participants learn to use essential smartphone tools that:

- Simplify **medicine reminders** and **personal health tracking**.
- Provide easy access to **audio books** and **e-libraries** for leisure reading.
- Help **organize family schedules** and daily reminders
- Simple Image Editing and Sharing.
- Enable safe location sharing and travel assistance for better connectivity and security.

**Date:** 15/11/2025

**Time:** 9:00 am to 12:00 pm
