**(BOD SURVEY ON PRIVATE TUTIONS AND THEIR IMPACT ON STUDENTS)**

Dear Parent,

Greetings from Indian School Bousher!

In recent years, there has been a growing global trend of students enrolling in private tuitions to improve their academic performance. Several factors influence this choice, and while private tutoring may offer certain advantages, it also brings potential challenges that can impact students in different ways.

To gain a deeper understanding of this topic, the Board of Directors of Indian Schools in Oman is conducting a survey among key stakeholders to explore their views, experiences, and concerns regarding private tuitions.

We request you to kindly scan the QR code provided below and share your valuable and constructive feedback by completing the survey on or before Friday, 5th December 2025.

Your input is important and will greatly support informed decision-making in the best interest of our students.

Thank you for your cooperation.
