Dear Parents and Students of Class XII,

Greetings from *Indian School Bousher!*

As you are aware, due to the prevailing situation in the Middle East, the Central Board of Secondary Education (CBSE) has postponed the Class XII Board Examinations scheduled from 5 March to 16 March 2026.

We understand that this development may have created a sense of anxiety and uncertainty among students and parents, particularly regarding academic plans, higher education prospects, and forthcoming competitive examinations such as JEE, NEET, and others. At this juncture, we would like to assure you that the school stands firmly with our students and parents and is committed to providing every possible support during this period.

To help students navigate this situation with confidence and calmness, the school has taken the following measures:

- **Counselling Support:** The School Counsellors will be available to provide guidance and emotional support to students and parents. Individual counselling sessions may be arranged to address concerns and help alleviate stress and anxiety.
- **Accessibility of Counsellors:** As far as possible, our counsellors will remain accessible to students and parents for guidance and support whenever required. Our experienced school counselors will be providing tele counseling services for students who may need guidance, reassurance, or stress-management support during this period.

- **Academic Guidance:** Teachers will continue to guide and motivate students to make effective use of this additional time to further strengthen their preparation for the forthcoming examinations.

We request parents to encourage students to remain focused, maintain a balanced routine, and utilize this time productively. The school will continue to monitor the situation closely.

Please be assured that any official update regarding the rescheduled examination dates will be communicated promptly as soon as we receive further information from the concerned authorities.

Let us work together to ensure that our students remain confident, positive, and well-prepared for the examinations ahead.

We thank you for your continued trust and cooperation.
