ACADEMIC YEAR 2026 – 2027

ISB/CR/ADM/2026-2027/020

19/4/2026

CIRCULAR TO PARENTS (GRADES V-IX)

**Dear Parents,
Greetings from Indian School Bousher!**

As per the guidelines of CBSE, we are implementing the **“Kaushal Bodh” programme for students up to Grade IX, aimed at promoting skill-based and experiential learning.** As mandated by CBSE, **160 periods per year (approximately 110 hours)** will be allocated. The school will conduct this programme through a weekly block period (extended last period once a week).

Vacation Assignment:

The existing Winter and Summer Vacation Homework will be discontinued.

In place of this, **students will be assigned Kaushal Bodh project work to be completed during vacation. This is a mandatory CBSE requirement.**

Books and Projects:

CBSE has provided official books along with a list of projects for each class. Each class is assigned six projects, out of which students are required to select and complete any three projects. The projects are divided into **three domains (Life Forms: Gardening, caring for animals, and biodiversity documentation, Machines & Materials: Working with tools, crafting, and basic repairs, Human Services: Cooking, hospitality, or community-based projects).** For Grade IX, “Kaushal Vikas” books are also available for reference. Students and parents are requested to download and refer to the materials from the **CBSE Academic website:** <https://cbseacademic.nic.in/KaushalBodh.html>

Assessment Pattern:

20% – Pen and Paper Test

80% – Practical/Project Work

Board Examination:

From next year onwards, current Grade IX students will be assessed at the Board level in Grade X for AY 2027-2028 in this subject.

Parents are requested to encourage and support their children in selecting appropriate projects and completing them sincerely, as this programme plays a vital role in developing practical skills and real-life competencies.

Warm regards

P. Prabakaran

Principal

Indian School Bousher
