Invitation to participate in Indian School Bousher Model United Nations – II Edition

Dear Parents and Students,

Are you ready to debate, negotiate, and solve global issues?

We are excited to announce that registrations are officially open for ISBMUN 2026! Whether you want to defend a superpower's foreign policy, solve an international crisis, or just improve your public speaking and leadership skills, this is the perfect platform to start with.

This conference offers an invitation to the students from **Grades VIII to XII**, a unique opportunity to step into the shoes of global diplomats. Participants will debate pressing international issues, draft resolutions, build essential skills in public speaking, negotiation, and critical thinking.

The conference will take place on 10th & 11th of October at Indian School Bousher.

All students are required to pay a registration fee of **1.5 OMR** to secure their spot for the upcoming conference. The committee allocations will be on **first come, first allocated** basis. The registration link will be disabled once the delegate limit is met. Please ensure to upload the payment receipt in the Google form along with the registration.

We hope to motivate delegates to cooperate, endure, and use their innate qualities to create innovative solutions to pertinent global challenges. Get ready to immerse yourself in lively discussions and make lasting connections. Let the diplomacy begin!
