Mograsys Parent Portal – Login Credentials and Instructions

Dear Parents,

We are pleased to inform you that the school has moved to a **new ERP system, Mograsys**, and the **Mograsys Parent Portal** is now available for parent access.

Mograsys will send an email directly to each parent's **registered email address** containing the Parent Portal username and temporary password. Once you receive the login credentials, please follow the instructions below carefully.

1. Parent Portal – Desktop/Laptop

Parent Login ID: P01234

Temporary Password: As provided in the email

Portal: Mograsys Parent Portal

Please note the following:

- Log in using the temporary/default password provided to you.
- On your first login, please change the password to a **strong and secure password** (for example: Test@123).
- Please use **Google Chrome** for the best experience and smooth functioning of the portal.
- Please keep your password securely noted and **do not share it with anyone**.
- Please enter your username and password manually rather than using the copy-and-paste option, particularly during the first login.
- Please note that the username contains the **number zero (0)** after the letter **P**. For example: **P01234**.

2. Mobile Application

For access through a mobile device:

- **Android:** Download **mograHUB** from the Google Play Store.
- **Apple:** Download **mograHUB** from the Apple App Store.
- **School Code:** isb
- **Username and Password:** Use the same credentials provided for the Parent Portal.

3. Important Information

Please note that if the Parent Portal remains **inactive for 90 days**, the login may be automatically blocked. Parents are therefore requested to log in periodically to keep their access active.
