VIDYARTHI VIGYAN MANTHAN (VVM) SASTRA PRATIBHA CONTEST 2026–27

ISB/CR/ADM/2026-2027/088

15/09/2026

Dear Students,
Greetings!

We are pleased to inform you that registrations are now open for **Vidyarthi Vigyan Manthan (VVM) 2026–27**, a **National-level Science Talent Search Examination** aimed at identifying and nurturing students with a keen interest in science and scientific thinking.

Vidyarthi Vigyan Manthan (VVM) – Sastra Pratibha Contest (VVM-SPC) 2026–27 is a digital-based Science Talent Search initiative aimed at identifying, nurturing and encouraging young scientific minds. The programme seeks to create awareness about India's rich scientific heritage, develop scientific temper, and inspire students to pursue excellence in science and STEM fields.

The Science India Forum Oman, in association with NCSM, Ministry of Culture, and NCERT, Ministry of Education, Government of India, invites students to participate in this prestigious scientific talent search.

Eligibility:

Students studying in **Classes VI to XI** are eligible to participate.

Registration Details:

- Last date for registration: **15 October 2026**
- Registration fee: ₹200 per student (Equivalent amount to be paid in AED through the Portal)
- Mode of Registration: **Online through the official website:** <https://sif.vvm.org.in/Register>
- Participation is voluntary.

Levels of Contest:

1. **Level 1 (Online MCQ):** Saturday, 21st November 2026 (10 AM – 5 PM GST)
2. **Level 2 (Offline Science Camp in Oman):** Friday, 22nd January 2027 (Venue details to be announced later)
3. **Level 3 (National Camp):** April/May 2027 (In India)

Study Material and Syllabus:

<https://sif.vvm.org.in/exam-details/level1> (Registered Students may login to portal and download the study materials.)

Steps to Follow:

1. Complete the registration through the VVM-SPC portal.
2. Log in to the portal and complete the payment of the registration fee.
3. Go to the Download section.
4. Download the study materials and begin preparation.

Benefits & Opportunities for Students

- Participation Certificates for all participants.
- Sastrayaan Science Tour to premier research institutions in India for winners and outstanding performers.
- Opportunity to participate in IISF and GCC Zonal & Himalayan (National) competitions.
- Recognition, scholarships and mentorship for outstanding performers.
- Srijan Internship opportunities at leading research institutions such as CSIR, DRDO, ISRO, IITs and AIIMS.
- Opportunity to interact with eminent scientists.
- Schools will be recognized at the Science India Forum Oman Annual Gala.
- J.C. Bose Award for the school demonstrating outstanding student engagement in VVM-SPC.

Why should you participate?

VVM is more than an examination, it is an opportunity to explore science, challenge yourself, meet fellow young science enthusiasts and gain exposure to the world of scientific research and innovation.

We encourage all eligible students who are curious about science and enjoy exploring the **"why" and "how" behind the world around them** to take up this opportunity and showcase their scientific potential.

Let your curiosity lead the way!
Explore. Discover. Innovate.

Warm regards,

Himmat Singh Dhillon
Principal
Indian School Bousher
