ACADEMIC YEAR 2026 – 2027

CIRCULAR TO PARENTS (Grades 1 to 5) - ENROLLMENT FOR STAI 2026

ISB/CR/ADM/2026-2027/092

Date: 19.09.2026

**Dear Parents,
Greetings from Indian School Bousher !**

We are excited to announce that our students have been invited to participate in the prestigious **STAI 2026** event! This year, the grand event is being proudly hosted by Indian School Al Wadi Al Kabir (ISWK) under the aegis of the **Board of Directors, Indian Schools in Oman**. This event brings together young minds across **22 Indian Schools** in Oman.

We are opening registrations for our young learners in the **Foundation Stage (FS)** and **Preparatory Stage (PS)** to represent our school on this grand platform.

What is STAI?

STAI stands for Science, Technology, Arts, and Innovation. This year's central theme is

"FutureWorld – Innovate. Integrate. Impact. Where Young Minds Build Tomorrow."

Through an exciting array of competitions and exhibitions, our students will have unique opportunities to question, investigate, design, code, create, collaborate, and innovate. Participating in STAI is a **great opportunity for our children to display their talents and scientific temperament**, helping them develop the critical mindsets needed to become responsible creators and changemakers of the future.

Event Categories for Foundation & Preparatory Stages

To help your child select the perfect event, please **refer closely to pages 8 to 19 of the STAI Handbook** sent along with this notice. We encourage you to review these pages, make an informed choice, and register their interest in one of the specific categories below:

- **Foundation Stage (FS) Events: For Grades 1 and 2**
 - **Future Toy / Gadget Tech Talk:** A platform for children to create or design futuristic tech gadgets and innovative toys.
 - **Cosmic Canvas:** An art-focused category allowing young minds to paint or design their vision of their magical space adventure.
 - **Futuristic Flora & Fauna:** Exploring adaptability and survival of flora and fauna in future environments.

- **Preparatory Stage (PS) Events: For Grades 3 to 5**
 - **Future Frames:** Capturing and designing futuristic concepts or visual stories through creative staging and media.
 - **Global Vision: Tech-Tinkers Challenge:** A hands-on model making challenge to design innovative, technology-driven solutions for global issues.
 - **LexiQuest:** A language-based written challenge requiring analytical skills, vocabulary, and quick thinking.

Important Dates & Support

- **Internal Registration Deadline:** Wednesday, September 23, 2026
(Please submit your child's chosen category via the school's internal registration portal by this date).

<https://forms.gle/WoL7UJqtDb9fn8A86>
- **Orientation & Doubt-Clearing Session:** Saturday, September 26, 2026
(We will host an exclusive orientation session for all registered participants to clarify handbook guidelines, answer questions about project execution, and outline preparation requirements).

Point of Contact

For any queries regarding category selection, rules, or internal registration links, please get in touch with our school coordinators between 2:00 pm to 7:00 pm:

- **ISB STAI FS Coordinator:** Ms. Jijy : +968 9101 5411 (Grades 1 and 2)
- **ISB STAI PS Coordinator:** Ms. Praveena : +968 9413 3849 (Grades 3 to 5)

Let us join hands to encourage our dreamers, thinkers, creators, and innovators to dream boldly and innovate fearlessly!

With best regards,

Himmat S. 8/1/26

Himmat Singh Dhillon
Principal
